MY FIRST
TATTOO
JUST WHERE I WANT IT

I'm an impetuous 19-year-old looking to sew her wild oats. I'm in it for the thrill, looking to try new experiences all the time. I'm experimenting with lots of things, most of them of a sexual nature. I'm a cutie, with additions of: smart, funny, seductive. I'm the whole package, so why not get into the game? While I won't go into all of my sex adventures here, let's just say that as I learn about something, I attempt to live the experience.

One thing I'm not into, or at least I don't think I'd be into, is pain. If it hurts, count me out. So when my friend Adele, dared me to get a tattoo, I was kind of leery. I really like the way skin art looks for a couple of my girls who have had tats. But they told me the process was painful. Still, a dares a dare, plus a girl wants to look her hottest. Most guys I know have a thing for chicks with tats, so it's time I joined the club.

I scheduled my appointment for Thursday morning. I didn't have classes that day, so it was good timing. That morning, I woke up nervous, but horny. Before I left for the tattoo parlor, I played with myself for a while, tweaking my clit and working myself up into a lather. Self-freaking always helps to ease my stress; and I guess I'm like a guy in that way. So, needless to say, I was semi-relaxed by the time I got to the tattoo shop.

I walked into the place, which was on the second floor of a downtown building. I walked in, looked around and saw no one. When I yelled out a guy came out of the small room. Woah! I thought he was hot and quite rugged looking. He was really tall, built well, wavy hair and a full beard. He was dressed head to toe in leather. My knees buckled at the sight of him. Introducing himself as Manuel, he asked if I knew

what I wanted. I was about to tell him that I wanted his cock pounding away inside my pussy, but I refrained.

Actually, I had made up my mind before going in that I wanted a butterfly just above my butt. I wanted it right above my ass crack, so it looks like the butterfly was flying out of my ass hole. Yeah, I know it sounds sick, but that's my quirky sense of humor. I told Manuel what I wanted and he led me to a small room.

There was a table in the middle of the room with tattoo equipment such as needles, ink, etc. When he said to lie on the table and get naked, at least down below, I was momentarily taken aback. Naturally I nodded to what I was told. He left the room saying he'd be back in a few minutes. I took off all my clothes and eased onto the table. As soon as I laid down, I thought of Manuel's strong hands and thinking about the hunk that was about to work on me, I became overwhelmed with desire.

My pussy began to get wet, and I couldn't stop my fingers from groping around my pubic area. In the middle of diddling myself, Manuel walked back into the room. I guess I should have been embarrassed, but I felt proud like I wanted him to see my body, admire it. He walked over to me and picked up the needle. "Is this where you want it done?" He sneered, then touched a spot above my ass cheeks.

I nodded and said, "Yeah, that's where I want you to put it."

I could tell he wasn't into playing games. The next thing I felt was a couple of rough manly fingers squeezing my clit. And I gasped in arousal. Seeing that I was into it, he then moved his fingers closer to my moist box. Manuel pushed his callous digits inside my pussy and began finger-fucking me with his

thick fingers. I relished in the intense feeling while my pussy leaked on them like a geyser!

Manuel continue to finger fuck me, invading his fingers inside my box in ways I never knew possible. When he took the index finger of his other hand and begin probing my ass hole with it, I thought I was going to jump into outer space. I tried anal sex before, but didn't like it too much, but when Manuel pushed a finger inside my tight anus, I knew then and there what ecstasy felt like. With two fingers inside my pussy and one in my ass hole, I was ready for liftoff.

He then unzipped his pants and pulled out a whopper that even Johnny Wadd himself would have been envious. In all my wild years of fucking, I've never seen a cock like that. It was massive, about ten inches of thick purple, veiny man-meat. I almost came at the mere sight of it. Pulling me by my legs, Manuel maneuvered me to the edge of the table and when my butt cheeks came over the side, he entered my ass. Yes, that's exactly where I wanted it.

The feeling of that super-cock was amazing. As he fucked me, he was far from subtle holding my thighs apart and fucking me with hard jackhammer-like strokes. The depth of his strokes was almost too deep. Finally, when my orgasm hit, I thought I was going to pass out. Actually, I think I might have blacked out for a moment. Of course, a minute later he came too, in my ass, but I really wasn't coherent for that.

When we finally finished fucking, he got down to business and tattooed my ass. I was so lost in the moment that I never felt the sting. The butterfly tattoo is killer as you can see. I have an appointment next week with Manuel to get another tat. Let's just say I'm looking forward to his expert needle-work once again.

HELP IS ON THE WAY

Partying and drinking are rites of passage for every college student. Unfortunately, sometimes the passage is lights out and falling down drunk. Fortunately, there are those that can keep it together and see the next light of day without a fog.

Lending a helping hand

We were finally getting to Ariel house. We'd been partying all night at the Attic and were all pretty drunk. Ariel was the least wasted and was driving her three other passengers with some caution. She pulled into the driveway of her modest house and then suddenly a light came on from a sensor over the garage. Stopping the car in the driveway, Bradley got out of the front passenger seat and opened the door for Lannie who was sitting behind him. Ariel got out the driver's door and opened T.J.'s for her. T.J. was leaning on the door when Ariel opened it and fell out onto the driveway asphalt but didn't seem to hurt herself. Ariel bent over to help her up and grunted as she pushed T.J. back upright in the car.

Ariel is tall and slim with black hair ironed straighter than a dry spaghetti noodle. She also has great breasts and a thin waist that sits on top of a tight firm ass. She has green eyes and her lips always moving thanks to her constant jabbering.

T.J., on the other hand was the shy one of the group, until she got some booze into her. She just didn't know when to stop

and always seemed to be needing some sort of help before the evening ended. Fortunately, she rarely pukes. Bradley has dealt with these kind of girls before. He went around to help with T.J.. Ariel looked at him from the opposite side of T.J. and smiled, he really is a gentleman. She always thought that Bradley was cute but was afraid that he was like the other guys, get the girl drunk, rub up against her, fuck for thirty seconds and fall asleep. She hoped she was wrong.

Blonde Lannie was Bradley's current girlfriend. She got the keys from Ariel and went and opened the door. Bradley and Ariel hold T.J. up as they climbed the front steps. When they got inside they leaned T.J. against the wall and Lannie rushed off to the kitchen to get a wet cloth to put on T.J.'s forehead. Then T.J. was pulled over to the sofa and laid down. Ariel unbuttoned a couple buttons on her blouse so her clothes would not be too binding. Lannie came in with a small towel folded and soaked and put it on T.J.'s forehead. Water dripped down her temples and into her ears. That made T.J. bolt up and try to dry them, missing her ears each time she brushed her hands by. Lending her his arm, T.J. pulled herself up and held on to Bradley. They followed Ariel up the stairs to the room that T.J. would be recovering in.

Ariel indicated to the first doorway on their left and opened the door for them. T.J. was led to the bed and plopped down on it. Ariel started to undress her and then realized Bradley was standing there watching. "Well?!?" she said. "Get over here and help me." Bradley pulled off her boots as Ariel worked her upper body. "Sit her up for me." she asked and Bradley grabbed under her armpits and Ariel stripped her blouse off and then her bra. She took a moment to rub the bra lines on T.J.'s boobs and gave them a quick squeeze as she looked at Bradley. Ariel set her back down as Bradley went back to her feet and grabbed the hems of her pants getting them off in long hard pull. "I'll finish." said Ariel as she pushed Bradley away and grabbed T.J.'s panties and pulled them off. Bradley found a light blanket on a chair and unfolded it and threw it over T.J.. "Let her sleep." pronounced Ariel as they left the bedroom. Pointing to the door next to the bedroom, Ariel says, "You and Lannie can have that room."

Ariel led the way back down the stairs and into the kitchen. Lannie had poured each a double shot. Ariel and Bradley grabbed their shots and all three together downed them. They grabbed their sodas for chasers and took a drink. "That's plenty for all of us." said Lannie. "We don't want to get shit-faced like T.J.. Who'll be left to carry us up the stairs?" They all laughed. Lannie grabbed one of each's hand and pulled them out of the kitchen and into the living room. Ariel turned on the TV and began flipping through channels. She'd pick a show but when it went to commercial they would move to a another, and after a couple of minutes they would get bored and go back to channel surfing. After some time of this

Ariel handed the remote to Lannie who had been flirting with Bradley. He said "We've seen everything on the tube." But just then Lannie landed on a porn movie, Bradley stopped with his mouth half open. Lannie looked at him and laughed at his expression. Ariel blurted out that she was starting to lose it and better get up the stairs before she couldn't. Lannie turned to Bradley when Ariel's footsteps receded up the stairs. Wasting no time, she leaned in and kissed him and he returned the affection along her chin and when he reached her mouth he kissed her upper lip and then sucked on it gently. After the last kiss, he brushed his tongue along her lips. Lannie pulled him closer and kissed him full on the mouth and pushed her hot tongue into his mouth and flicked it back and forth on the tip of his. When she pulled her tongue back Bradley took in her lower lip and nibbled it, then ran his tongue over the inside of it. Lannie pushed him away, stood up off the sofa and undressed, releasing her full, firm succulent breasts and her hairless, glistening pussy.

Bradley stood and grabbed her by the shoulders, lowering her down on the sofa. He kneeled down and pulled one of her legs over his shoulder and dove right in to her slick pussy. He licked up and down her slit and whenever he reached her soaking wet hole he pushed his tongue in. Bradley came up to her clit and started to lick it while he slowly slipped his middle and ring finger into her pussy. Bradley then sucked on her clit and curled his fingers up and started to slide them in and out. Bradley soon felt the rush of Lannie's juices, lapping up as they came out. Lannie whispered "Let's go upstairs and do it right." She held out her hand and he pulled her up.

Lannie headed towards the stairs as he looked at her butt in the subdued light. "Damn, I'm gonna tap that tonight." he thought to himself. She turned around when she noticed that he wasn't following her. He smiled and walked forward to Lannie. She bounced on her toes which in turn made her lovely breasts bounce. She grabbed Bradley's hand and they went up the stairs into their room. They didn't bother turning on the light as there was already a lamp turned on in the corner of the room. Bradley stood at the bottom and took off his remaining clothes. She fixed the pillows for a moment and curled her finger a couple times motioning him over to her. He walks over to her and she slides her hand under his balls, pulling his hips and very stiff cock over to her waiting mouth. She licked up and down his long shaft. She'd swirl her tongue around the head and gently nip at his shaft. Standing there, he reached down and rubbed her mons. Almost automatically, as if he pushed an 'Open' button, her legs spread and he slipped his hand between them.

Lannie then says, "Brad, I want that huge cock inside me now." He positions himself on the bed between her legs and slowly pushes in a couple inches and then pulls out. He did this until he was fully inside her. Then he began to slowly pump harder. He felt her pussy tighten around his cock with her muscle movement. Lannie closed her eyes and threw her head back moaning softly. Bradley took this as an indication that she wanted him to pull out. He proceeded to do so but he barely got three inches out when Lannie wrapped her legs around him and pulled him back and came quietly so as to not wake anyone up. With her orgasm finally subsiding she

grabbed his ass and slowly scooted back on the bed while keeping his dick inside her pussy. When they were in a comfortable position, Bradley started thrusting, going harder and harder. He grabbed her boobs and massaged them, tweaking her nipples. Lannie began to thrust her hips up to meet Bradley's thrusts. Again he felt her pussy tighten around his cock but he was nowhere near cumming himself.

Bradley looked down at Lannie's face and saw her eyes tightly closed and her mouth slightly open. The sweat glistened on her body, her boobs bouncing every time he thrust himself into her. He started to pump into her faster. Lannie dug her nails into his butt cheeks and that pushed him over the edge. His cum seemed to burst out with the force of a fireman's hose. When Bradley stopped thrusting, Lannie turned over on the bed and got down next to his cock. She licked up cum from the head and down the shaft, putting her fingers in her cum-soaked pussy then up to her lips.

A moment later he heard a soft moan that sounded like a climax moan coming from the corner of the room. As his eyes focused over to there in the low light, he saw a dark body with a soft glisten of sweat. She stood up and walked over to the bed. She was naked. It was T.J.. Lannie patted the empty space on the other side of Bradley and T.J. climbed in. Still wobbly and obviously horny, T.J. cuddled into Bradley's chest and began to rub his cock. He looks at Lannie as she pulls T.J.'s head over and they kiss over his chest. "I don't think I'm going to get any sleep," he said to himself as he watched their long, wet tongues intertwine right under his nose.
